

# OUR FARM, OUR PLAN

Now, where, how? Design your path to success.

Our Farm, Our Plan is a program to assist farmers to use the plans in their heads to develop a clear understanding of their long term business and personal goals.

Using two key tools—the Quickplan and Farm Fitness Checklist—ideas are turned into plans, and plans are turned into actions.

Our Farm, Our Plan will be supported by an extension program for farmers. It involves three group based activities and three one-to-one interactions for participants with experienced advisers over a 12 month period. **Facilitated by Matt Harms (OnFarm Consulting) and Sheena Carter (NSW DPI).**
